Note: This news release may contain forward-looking information within the meaning of Canadian provincial securities laws and “forward-looking statements” within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, Section 21E of the U.S. Securities Exchange Act of 1934, as amended, “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995 and in any applicable Canadian securities regulations. The words “will”, “target”, “future”, “growth”, “expect”, “believe”, “should”, “may”, derivatives thereof and other expressions which are predictions of or indicate future events, trends or prospects and which do not relate to historical matters will tend to identify forward-looking statements. Although Brookfield Infrastructure believes that the forward-looking statements it makes and related information is based upon reasonable assumptions and expectations, the reader should not place undue reliance on them, or any other forward looking statements or information in this news release. The future performance and prospects of Brookfield Infrastructure are subject to a number of known and unknown risks and uncertainties. Factors that could cause actual results of Brookfield Infrastructure to differ materially from those contemplated or implied by the statements in this news release include general economic conditions in the jurisdictions in which we operate and elsewhere which may impact the markets for our products, the ability to achieve growth within Brookfield Infrastructure’s businesses and in particular completion of the acquisition referred to in this news release, which cannot be assured, the impact of market conditions on our businesses, the fact that success of Brookfield Infrastructure is dependent on market demand for an infrastructure company, which is unknown, the availability of equity and debt financing for Brookfield Infrastructure, the ability to effectively complete new acquisitions in the competitive infrastructure space (including the ability to complete announced and potential acquisitions that may be subject to conditions precedent), and to integrate acquisitions into existing operations, the future performance of these acquisitions, the market conditions of key commodities, the price, supply or demand for which can have a significant impact upon the financial and operating performance of our business and other risks and factors described in the documents filed by Brookfield Infrastructure with the securities regulators in Canada and the United States including under “Risk Factors” in Brookfield Infrastructure’s most recent Annual Report on Form 20-F and other risks and factors that are described therein. Except as required by law, Brookfield Infrastructure undertakes no obligation to publicly update or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise.
