About Brookfield Infrastructure

Brookfield Infrastructure is a leading global infrastructure company that owns and operates high-quality, long-life assets in the utilities, transport, midstream and data sectors across the Americas, Asia Pacific and Europe. We are focused on assets that have contracted and regulated revenues that generate predictable and stable cash flows. Investors can access its portfolio either through Brookfield Infrastructure Partners L.P. (NYSE: BIP; TSX: BIP.UN), a Bermuda-based limited partnership, or Brookfield Infrastructure Corporation (NYSE, TSX: BIPC), a Canadian corporation. Further information is available at <https://bip.brookfield.com>.

Brookfield Infrastructure is the flagship listed infrastructure company of Brookfield Asset Management, a global alternative asset manager, headquartered in New York with over \$1 trillion of assets under management. For more information, go to <https://brookfield.com>.
