

BROOKFIELD INFRASTRUCTURE PARTNERS EXCHANGE L.P. ANNOUNCES THREE-FOR-TWO UNIT SPLIT

Brookfield, News, May 4, 2022 – Brookfield Infrastructure Partners Exchange L.P. (“**BIP Exchange LP**”), a subsidiary of Brookfield Infrastructure Partners L.P. (“**BIP**”), today announced that, in connection with the announcement by BIP of a three-for-two unit split, the board of directors of BIP Exchange LP has approved a three-for-two unit split (the “**Unit Split**”) of the outstanding exchangeable units of BIP Exchange LP (“**Exchangeable Units**”).

The Unit Split will be implemented by way of a subdivision on June 10, 2022 to holders of record at the close of business on June 6, 2022. Any fractional Exchangeable Units to be issued to registered BIP Exchange LP unitholders as a result of the Unit Split will be rounded to the nearest whole Exchangeable Unit, with each half unit being rounded to the next higher unit. The Unit Split should not be taxable in Canada.

BIP Exchange LP will use the direct registration system (“**DRS**”) to electronically register the additional Exchangeable Units issued pursuant to the Unit Split, rather than issuing paper certificates to registered unitholders. A DRS advice statement, indicating the additional Exchangeable Units to which registered unitholders are entitled as a result of the Unit Split, will be mailed to unitholders entitled to the Unit Split following June 10, 2022. The combination of any old BIP Exchange LP book-entry units and the new DRS advice statement sent will represent each registered unitholder’s total post-Unit Split unitholdings. For beneficial unitholders who hold their units in an account with a broker or other intermediary, their account will be automatically updated to reflect the Unit Split.
