

Brookfield Infrastructure Announces Reorganization of Brookfield Infrastructure Corporation

Brookfield, News, October 9, 2024 – Brookfield Infrastructure Partners L.P. (NYSE: BIP; TSX: BIP.UN) (the “Partnership”) and Brookfield Infrastructure Corporation (“BIPC”) (TSX, NYSE: BIPC) today announced their intention to complete a reorganization (the “Arrangement”) that maintains the benefits of Brookfield Infrastructure’s business structure, while addressing proposed amendments to the *Income Tax Act* (Canada) that are expected to result in additional costs to BIPC if no action is taken.

BIPC was created by the Partnership in 2020 to provide investors with an opportunity to gain access to the Partnership’s globally diversified portfolio of high-quality infrastructure assets through a corporate structure. BIPC provides shareholders with the benefits of broader index inclusion, a differentiated investor base, improved trading liquidity, a simplified tax reporting framework and higher after-tax yield for certain shareholders.

Since the initial listing of BIPC, the market capitalization of Brookfield Infrastructure has grown from \$17 billion to \$29 billion and the average daily trading volume has doubled. Our investor base has tripled in size and is more diverse, with U.S. and non-Canadian investors now representing over 55% of our investor base.

Following the Arrangement, BIPC shareholders will own an economically equivalent security that provides the same economic benefits and governance of investing in our company today. The Arrangement is also expected to be tax-deferred for the vast majority of investors, including Canadian and U.S. shareholders.

The Arrangement will be implemented pursuant to a court-approved plan of arrangement and will require shareholder approval. A management information circular outlining the transaction in detail is expected to be mailed to BIPC shareholders at the end of October, in advance of a special meeting of shareholders (the “Meeting”) to be held virtually on December 3, 2024 at 8:00 a.m. (Eastern time). Shareholders of record as of the close of business on October 21, 2024 will be entitled to vote at the Meeting. Subject to the receipt of court and shareholder approval, and the satisfaction of certain other customary conditions, it is anticipated that the Arrangement will be completed in the fourth quarter of 2024. The newly issued class A exchangeable subordinate voting shares are expected to be listed on the Toronto Stock Exchange and New York Stock Exchange and will trade under the same “BIPC” symbol.

The BIPC Nominating and Governance Committee unanimously determined that the Arrangement is in the best interests of the corporation and recommended that the BIPC board of directors (the “Board”) approve the Arrangement and recommend that holders of exchangeable shares vote in favour of the Arrangement.

The Board¹, on the recommendation of the Nominating and Governance Committee, determined that the Arrangement is in the best interest of BIPC and unanimously resolved to approve the Arrangement and recommend that holders of exchangeable shares vote in favour of the Arrangement. In making its determination, the Board considered, among other factors, the fairness opinion of RBC Dominion Securities Inc. (“RBC”) to the effect that, as of October 9, 2024 and subject to the assumptions, limitations and qualifications described therein, the consideration to be received by Public Holders (as defined in RBC’s fairness opinion) of exchangeable shares pursuant to the Arrangement is fair, from a financial point of view to such shareholders. A copy of the fairness opinion will be included in the management information circular.

Investors in the Partnership will not be impacted by the Arrangement and are not required to approve the Arrangement or take any other action.

Copies of the management information circular, the arrangement agreement, the plan of arrangement and certain related documents will be filed with the applicable Canadian securities regulators and with the United States Securities and Exchange Commission and will be available on SEDAR+ at <https://sedarplus.ca> and on EDGAR at <https://sec.gov>.
